

You are invited to participate in a live hands-on training program:

Clinical Training Program for NEXPLANON[®] (etonogestrel implant) 68 mg Radiopaque

Location: Disneyland Hotel

1150 West Magic Way
Anaheim, CA 92802

Date: Saturday, September 17, 2022

Start Time: 1:45 PM

End Time 4:45 PM

IMPORTANT

Must have an active US State License number or NPI number

Clinical Training Program for NEXPLANON is available only to US clinicians authorized to perform procedures entailed in insertion and removal of Nexplanon under their state practice act. These clinicians include:

- MD, DO, PA, NP, CNM, Naturopathic MD and/or ND
- Residents with state and/or prescriptive licenses
- Military providers with a US State License and/or NPI number
- Licensed Registered Nurses who are enrolled in advanced practice studies
- Medical students or Physician Assistant students without a US state license or NPI number may not certify
- Once trained and state/prescriptive licenses are validated with authorized distributor HCP can order NEXPLANON

Please note: This program is not an accredited CME program.

Regards,

Michael Schloffer
